

DRAFT Application for Country Addition

Please provide the following information, noting that some responses are required for the application to be considered.

- Country Requested
- Person requesting
- Organizational Affiliation, Location
- Contact info
- Type of organization (government, purchaser, manufacturer, NGO, consultant)
- Brief statement why EPEAT is needed in the nominated country
- Names of any non-purchaser organizations (NGOs, Consultancies) supporting application of EPEAT to the country, with contact info

SUPPORTING DATA*

- 1) Names of purchaser(s) proposing to use or already using EPEAT in the country, with approximate volume of annual IT hardware spend
- 2) Purchasers' existing EPEAT requirement or policy
- 3) Contact information for all listed purchasers

EVIDENCE OF ABILITY TO APPLY EPEAT - **Response Required**

- 1) Existing electronic product takeback regulations/systems? (Reference – regulatory citation, direct contact, url reference)
- 2) Any laws that would prevent takeback and recycling of electronic products?
- 3) Existing rechargeable battery takeback/recycling scheme? (Reference – regulatory citation, direct contact, url reference)
- 4) Any legal barriers to battery takeback and recycling?

***Please Note:** For a country addition to be considered, purchaser Information must be provided in detail, with a direct contact to verify – all identifying information will be removed from any materials shared with the Board of Advisors, other subscribers and stakeholders and the general public.
